

FREEDOM CORE II™

Power with Screamer Sensor & Screamer Sensor

Freedom Core II™ is the next generation from our popular Freedom Core line. It takes the essential elements from the industry's most robust security platform and assembles them into a compact, sensor based merchandising system. With two new stand-alone security sensors, Freedom Core II is the ideal, low cost solution specifically designed for multiple products within the retail marketplace.

FREEDOM CORE II™

Power with Screamer Sensor & Screamer Sensor

SAFEGUARDS ANY RETAIL PRODUCT WHERE LOSS PREVENTION SECURITY IS REQUIRED

TWO NEW STAND-ALONE SECURITY SENSORS

Power w/Screamer Sensor:

- Powers and secures devices up to 20V
